Appendix

The teaching questionnaire is attached as it was sent to the schools.

Physical activity in the natural environment (PANE) is part of the Physical Education curriculum in Secondary Education. The decree of each community refers to "Activities of adaptation to the environment and the natural environment". However, there is no information on the training and knowledge of the teachers in order to carry out the programming of this block.

SECONDARY PHYSICAL EDUCATION TEACHERS ONLY

The aim of this questionnaire is to obtain relevant information in relation to the training and knowledge of Secondary Physical Education teachers about Adventure Education (AE) programming.
